A REPORT

ON

THE ADMINISTRATION OF THE TONK STATE FOR THE YEAR 1334 FASLI (1926-27)

CHAPTER I.

Brief History of Tonk.

The Tonk State is situated partly in Rajputana and partly in Central India and consists of six Parganas that are separated from each other by distances varying from 20 to 250 miles. The Rajputana Parganas are Tonk, Aligarh and Nimbahera, and those in Central India are Chhabra, Sironj and Pirawa. The State has an area of 2,579 square miles and a population of 2,87,898.

The founder of the State was Nawab Amir Khan, a Pathan or Afghan of the Buner tribe known as Salarzai. Early in the 17th century, one Taleh Khan left his home in the Buner country and took service in Rohilkhand with Ali Mohammad Khan, a Rohilla of distinction. His son, Hayat Khan, acquired some land in the Moradabad district and was the father of Amir Khan. The latter was born in 1758, and when 20 year of age, left his home to carve out, a career for himself. He first offered his services to De Boigne who was recruiting for Sindhia's Army, but De Boigne considered that he was too young and inexperienced, and declined to enlist him. For the next ten years he served as a mercenary leader whenever he could find lucrative employment, and in 1798, he was advanced to the command of a large army in the service of Jaswant Rao Holkar. He fought with distinction in the campaign against Sindhia and the British, and he took no small part in levying the indemnities imposed on Rajputana and Malwa. Holkar appreciated his fighting qualities and in order to have his services permanently at his command, he agreed to share all conquered territory with him. Sironj was accordingly made over to Amir Khan by Holkar in 1798, and Tonk and Pirawa fell to his share in 1806, Nimbahera was added to his territory in 1809, and Chhabra in 1816. On the entrance of the British into Malwa Amir Khan made overtures to them, but the conditions he proposed were considered to be extravagant and were rejected. The British, however, offered to guarantee him all the lands he had been granted by Holkar on condition that he abandoned the predatory system he had adopted, disbanded his army and surrendered his artillery, with the exception of 40 guns, to the British at a valuation. Amir Khan agreed to these proposals, and they were embodied in a treaty in 1817. To the territories thus guaranteed, *i. e.* the five Parganas already mentioned, the fort and Pargana of Rampura, now known as Aligarh, were added by the British Government and a sum of three lakhs was also given

to him to enable him to finance his State. He administered the State till his death in 1834, when he was succeeded by his son Wazir Mohammad Khan; the latter did much to consolidate the State, and during the mutiny he distinguished himself by holding the Tonk Fort with a small garrison against the combined forces of the Nawab of Banda and Tantia Topi. In acknowledgment of his services, his salute was raised from 15 to 17 guns, and he received a sanad guaranteeing the succession of his family according to Mohammadan Law, in the event of failure of natural heirs. He died in 1864, and was succeeded by his son Mohammad Ali Khan, who proved such an unsatisfactory ruler that he was deposed by the British Government in 1867, and was exiled to Benares, where he died in 1895. His son Hafiz Mohammad Ibrahim Ali Khan succeeded him in 1867, and is still ruler of the State. During His Highness' reign many reforms have been introduced and the Government of India have shown their appreciation of His Highness' merit by making him a Grand Companion of the Star of India and of the Indian Empire. His Highness' full title is Amin-ud Doula Wazir-ul-Mulk Nawab Sir Hafiz Mohammad Ibrahim Ali Khan Bhadur Sowlat Jung G. C. S. I., G. C. I. E. His Highness administers the State with the help of a State Council. The present Members of the Council are Captain W. F. Webb, I. A., Vice President and Revenue Member, Mr. E. T. D. Ferguson Judicial Member, Sahibzada Mohammad Ishaq Khan, Home Member, and Sahibzada Md. Abdul Wahab Khan, Financial Member.

CHAPTER. II.

Agricultural Farm.

13. During the year under report the State joined the Plant Institute at Indore for 5 years in the first instance on the 1st April 1927 on a yearly contribution of Rs 2,000/- per annum and arrangements for the opening of an agricultural Farm in the State were made. His Highness was pleased to sanction as an experimental Farm in the village of Sankna and its Hamlets for a period of ten years in the first instance under the direct control of the Revenue Member.

The work of the Farm has started well under satisfactory conditions and although in its infancy has commenced to show results.

For the purposes of agricultural experiments 125 Bighas of land were

freshly broken and experiments have been made in America—Cawnpore Cotton, Pussa 4 wheat, Potatoes, peas and a new system of making compost. Ransoms Monsoon plough and the middle Buster plough have been introduced into the State. The former has proved a success and is obtaining a demand from cultivators.

The experiment in American Cawnpore cotton was satiafactory and arrangements are being made for this cotton to be grown extensively in Saukna next year.

The method of preparing compost as advised by the plant Institute Indore is gaining ground, but until the cultivators see the result themselves of husbanding their manure supply and gain confidence in the new method very little headway can be made. A number of cultivators however in Sankna village itself has started the system on their own and with very little propaganda it will spread.

The aims of the experimental Farm are to better the existing implements and methods of cultivation rather than introducing new and expensive machinery.

Next year experiments will be carried out in sugarcane, cotton and fodder crops. Cattle breeding will be started on a small scale.

The Revenue Member would take this opportunity of thanking Mr. A. Howard M. A. and Mr. J. W., Jenkins M. A., B. Sc., of the Plant Institute Indore for the great assistance they have given. It is hoped that the State will continue to profit by the advice given by the Director of Plant Institute Indore and I would strongly advise that no major experiment be carried out in the State without his advice.

The following reayats have been given in Sankna village which is on the Latai system.

(*a*) *Latai.*

One third share plus 10 seers.

Reduced to one third plus 3 seers.

(*b*) *Cesses.*

1. Khurak rozina. Reduced to half
2. Dak Shafakhana Do Do
3. Nazar Jamabundi Remitted
4. Shahngi Do
5. Kaldari Do
6. Paitia Chank Do
7. Bhait Amli Do

A further Reayat of three Bighas free for fodder crop per 100 bighas

has been sanctioned for next year, as an experiment to encourage cultivators to improve their cattle. 1125 Kacha bighas were brought under new cultivation during the year. The income and expenditure in the management of Sankna as compared with the last year is as follows:-

Jamabandi for

1333 Fasii	16,576	0	0
1334 Fasli	24,999	1	6

Expenditure

1333 Fasli	4,367	1	11
1334 Fasli	4,929	1	5

In addition to Rs4929/1/5 a sum of Rs3,878/14/9 were paid on account of unpaid expenses for 1332 and 1333 Faslis.

14. A colonization scheme was started in the Sironj and Chhabra Parganas during the year and is progressing satisfactorily.

Rainfall.

15. The rainfall in the State from 1st April 1926 to 31st March 1927 was as under.

Name of Pargana.	Rainfall during 1334 Fasli.	Average rainfall of 5 years.
Tonk	28·31	27·94
Aligarh	27·11	33·05
Chhabra	45·36	41·49
Sironj	50·05	38·75
Pirawa	31.60	52·07
Nimbahera	30·06	29·14

Note. For datails vide appendix XVII.

16. The following officers are deserving of special mention for their work during the year.

Baboo Madan Gopal Sahib Assistant to the Revenue Member. His work in the Revenue Department and espacially in connection with the Agricultural Farm and the management of Sankna village is deserving of a special recommendation to the Darbar.

II. *Forest Under Revenue Department.*

1. The area under Forest administration (less Tonk Pargana) in 1334 Fasli was 1,63,694 Bighas and 7 Biswas.

2. Forest produce.

1. Building wood such as Teak, Bija, Saj, Sesso, Tendo and Tesso etc.

2. Fuel and charcoal.

3. Bamboos.

4. Honey and Wax

5. Grass.

6. Miscellaneous-Viz Gum, Mahwa flower, Katha and other tanning materials.

3. The chief sources of income are-sale proceeds of grass and wood Animals are allowed to graze in certain places on payment of nominal fee. 13,403 maunds 11 seers 4 chatanks of grass was collected during the year and there was no balance of previous year. Of this 6620 maunds 12 Seers 12 chatanks was sold and 2599 Md. 15 seers 12 chatanks was given free of cost leaving a balance 4183 mds. 22 seers 12 chatanks in hand at the close of the year.

4. The income derived from the sale of fuel, building wood and grass etc amounted to Rs. 70,108-6-11. The figures for the previous year were Rs 73,253/3/6.

5. Rs 8,244/7/3 were spent on this department during the year under report against Rs. 9,152/0/1 showing a decrease of 907/8/10

Offences.

6. 248 cases were registered during the year under report against 290 for the previous year decrease 52.

III. *Customs.*

(a) *Income*-The total income realised by this Department during the year under report amounted to Rs. 4,89,727/5/11 against the budget estimate of Rs 5,93,608/- The decrease of Rs. 1,03,880/10/1 is due to the failure of the cotton and wheat crop ; the export figures of which show a net deficit of Rs 90,746½- and 58,351/ respectively totalling Rs. 1,49,097/- but for this deficit there would have been a gain of Rs. 45,216/- in the Customs budget in other items.

(b) Owing to a serious shortage of grain in Tonk pargana 4,5746 maunds of grain were imported into this pargana free of duty. Prices however remained high during the year but with the advent of good rains the situation which might have been serious was considerably eased.

(c) *Expenditure*—The total expenditure incurred by this department amounted to Rs 48,265/9/1 against Rs. 40,613/10/11 for the previous year showing an increase of Rs 3,451/.4/2.

(d) Six cases of Cocaine were decided during the year under report. The accused in 5 cases were convicted and in one case acquitted.

IV. *Entertainment of Guests.*

During the year under report 85 guests were entertained by the State among whom the important guests were the following:-

1. Col. H. R. N. Pritchard, O. B. E, Political Agent, Harauti and Tonk, Deoli;

2. Col. J. W. Watson, C. I. E., I. M. S., Medical Officer, Rajputana, Ajmer;

3. Nawab Begum Sahiba. Maler Kotla;

4. Col Gobind Singh of Kotah;

5. H. H. the Maharaja of Jhalrapatan;

6. Dhannalalji Tazimi Sardar of Bundi;

7. Major R. J., Macnabb, Political Agent, Harauti and Tonk, Deoli;

8. Khan Bahadur Syed Saddik Hasan of Ajmer;

9. Syed Ikram Husain, Superintendent Police;

10. Munshi Abdul Wahid Khan Private Secretary;

11. J. A. Pope, Esqr. I. C. S., Excise Commissioner, C. I., Indore;

12. D. E. Augier, Esqr. Joint Opium officer. Neemuch;

13. W. J. Jenkins, Esqr, M. A, B. Sc., I. A. S; and

14. Munshi Anwar Ahmed, deputed by the Prime Minister of Hyderabad to discuss on certain religious points.

The arrangements for the entertainment of all the guests were made by H. H. The arrangements for guests under Sahibzada Khalilurrehman Khan were excellent.

V. *Nazool.*

The Nazool Department had a successful year. The estimated income was Rs. 2,642/- actual receipts came to Rs. 3,853/13/6. The expenditure on this Department amounted to 846/12/6 during the year under report. The income from sale of Nazool Land amounted to Rs. 1,121/12/6 and the rent from Nazool houses and the property of the Department amounted to Rs. 2732/2/0.

There was no change in the system of administrating the department. There were 531 Nazool cases for disposal in the course of the year. 306 cases of these were dealt with, 225 were pending at the close of the year

Annual Report of the Municipal Committee, Tonk, State, for the year 1334 Fasli 1926-1927.

The result of the work of Municipal Committee for the year ending 31st October 1927 is as below:-

Budget of receipts sanctioned by His Highness amounted to Rs. 63720/4/0 while the Budget of charges also amounted to the same figures. The above figures of receipts include Rs. 30,423/- which is a grant in aid given by the Darbar from Abkari for the maintenance of Municipalities at Sadar and Parganas. The actul realisation for the year amounted to Rs. 68,605/5/0 as against Rs. 61,635/7/0 of the last year giving an increase of Rs. 4,885/1/0 over the budgeted amount while the figures of actual charges including the expenditure on Basoda road amounted to Rs. 61,354/8/4 as against Rs. 47,512/15/10 (last year) giving a balance on budgetted expenditure of Rs. 2,365/11/8. Owing to a deficit in the Abkari Budget the Committee received Rs. 4,512/11/0 less this year as a grant in aid, this was an unforeseen misfortune owing to the badness of the year. However, the increase of the Budget estimate of Rs. 4,885/1/ and the saving on the Budget expenditureof Rs. 2365/11/8 total Rs. 7,250/12/8 was set aside to help the final expenditure on the Basoda road. The increase in expenditure of Rs. 13,831/8/6 as compared with the last year is due to the making of the Basoda road and the Tonk river road which owing to unusual floods was badly damaged.

In the year under report 10 metalled roads and some Jhekra roads were repaired in Sadar and Parganas The lighting and sanitary arrangements were maintained satisfactorily and increased . There were no epidemics in the city. The slaughter houses were throughly repaired and the floors repitched. Their roofs were placed on the bazar booths and trees were planted on either side of the main Bazar. The new bathing Ghauts on Aliganj Tank were completed and if money is available further improvements will be continued on this tank next year.

The Basoda road in Sironj was started on 31st October 1926 and completed in December 1927. It has been paid for out of municipal funds and is one of the most important works the municipality has taken in hand.

The total estimate made by Sahibzada Rafiqurrehman Khan was Rs. 35,000/- and of this sum Rs. 26,974/- has so far been met out of saving from the 1926,1927 budgets, the blance has been paid for a loan of Rs 8,026- for which provision has been provided in the comming year's budget.

Owing to the heavy rainfall this year in Sironj it was found that an appreciable saving in the budgtted estimate would be impossible. The work has been done very economically and will be a great benefit to Sironj.

Sahibzada Rafiqurrehman Khan, the Sub-Overseer incharge of the work, Munshi Ghulam Bahauddin, the Nazim of Sironj and

Sz. Khalilurrehman Khan the Secretary of Municipal Committee are worthy of special praise for the completion of this work. They have worked very hard for its success and their efforts have been entirely satisfactory.

In the year under report the work of the Municipal Committee was satisfactory. Sahibzada Khalilurrehman Khan Secretary and Munshi Yusuf, Mohtamim, Municipal Committee, took a great interest in their work and discharged their duties to my entire satisfaction. The Statements showing the receipts and expenditure of Municipal Committee, are attached herewith.

CHAPTER VII.

Report of Inspector General of Police.

The following are the extracts from the administration report of the Tonk State Police received from Mr. R. J. H. Fitzpatrick Inspector General of Police.

Mr. E. T. D. Ferguson held charge of the department from the beginning of the year to the 17th July 1927 when he was appointed Judicial Member State Council being relieved by Mr. R. J. H. Fitzpatrik. Since then the latter has been incharge.

In previous years the State for purposes of police administrations was divided up into 3 Ranges comprizing two parganahs each under a Superintendent of Police. Range I and III remain the same and were under M. Ali Hussain Khan and M. Abdul Qadar Khan throughout the year. Range II which formerly comprized the parganahs of Nimbahera and Pirawa has been broken up and each perganah is now under the charge of a Superintendent of Police.

Changes in Force.

M. Yusufali Khan held charge of Nimbahera from the beginning of the year up to 14th March 1927 being relieved by M. Ahmad Said Khan who remained incharge till the end of the year. M. Ahmed Said Khan held charge of Pirawa from the begining of the year up to 14th March 1927 when M. Yusuf Ali Khan took his place.

There were a few temporary changes among the Circle Inspectors during the year. M. Waliulla Khan proceeded on privelege leave and was relieved by S. I. Enayatul Rehman Khan. M. Ayub Ali was sent to Pirawa from Tonk to relieve M. Yusufali Khan who fell sick. M. Abdul Hadi of Chhabra had to be transferred under the orders of His Highness as some trouble arose between himself and the Nazim over the Kanjars.

I consider the readjustment of Superintendent's charges necessary, as at present the work is very unevenly divided. In Range I there are 10 police stations; Range III has 17 police stations. Pirawa has 5 police stations and Nimbahera has 7 police stations.

Range III is for too unwieldy, the country difficult to traverse, with the result that supervision of heinous crime and inspection of police stations by Superintendent is altogether superficial. If the Chhabra Parganah is taken away from Sironj and added to Pirawa, it will make the work of the Superintendents more equal. The headquarter of the latter charge could then be changed to Chhabra and the present Circle Inspector's headqarters transferred from Chhabra to Pirawa. These changes will not involve any extra expense and should tend to better supervision over the work of Sub-inspectors. I am putting up a request to His Highness to sanction the above proposal.

(2) My proposal regarding a Lines School had to be held in abeyance owing to His Highness's being unable to sanction my budget in full.

Conditions of the Year.

The Conditions during the first part of the year 1927 were favourable, both crops gave great promise, but owing to heavy unseasonable rains wide spread damage was caused to the crops; the cotton corps sufferred most.

Political Events.

The State was free from labour agitations or communal disturbances during the year. There was no Political agitatiou also during the year.

Crime.

There has been an increase of crime by 207 during the year under report. 1,367 cases were reported as against 1,360 in the preceding year; the main increase being in burglary and theft cases.

There were 189 cases pending from last year. The Police had therefore to deal with 1,756 cases against 1,522 in the preceding year.

Of 1,756 cases dealt with 1,613 were investigated while in 143 cases investigation was refused. Of the cases investigated 813 were challaned 502 remained untraced, 178 expunged, and 120 remained under investigation at the close of the year.

Of the cases challaned 590 were convicted, 93 acquitted, 6 were made over to other States. 7 C. S. A. were expunged, 42 were dealt with under section 512 C. P. C. and 75 were pending enquiry in the court at the close of the year.

The general results of police work may be regarded as satisfactory more specially as many of the investigating officers have had no training in investigation work. The refusal of investigations in a great majority of cases was in deference to the complainants own wishes and was seldom due to any definite refusal by the police to make the enquiry.

Conviction of Persons.

1,526 persons were arrested for the above crimes. Of these 1,413 were challaned, 93 released by the police and 20 remained pending investigation at the close of the year.

Of the persons challaned 1,030 were Convicted, 198 were acquitted 9 made over to other states, 27 are under arrest in other states, 4 died after challan, 1 escaped from Judicial Lock up and 144 were pending trial at the end of the year. The percentage of persons arrested to challaned is 93% against 87% in last year. The percentage of challaned to convicted is 73% against 72% last year. The precentage of persons convicted to challaned is as high if not higher than obtained in many provices in British India and this speaks well for the force taking into consideration the materil we have in the prosecuting line.

Recoveries.

Property worth Rs 83,971/0/3 was stolen during the year under report against property worth Rs 63,125/0/2 in the preceding year. The value of property recovered amounted to Rs 41,979-15-3 against Rs 37,126-4-1 last year. The percentage of recoveries this year being Rs 49-15-11 against Rs 58-13-1 last year. The recoveries are up to standard *ie.* Rs 50% now being demanded from the police. The public is still somewhat chary of recognizing police efforts in this respect, though more generous acknowledgment would prove a stimulus to greater efforts- as things- stand the public expect the police to work out every cases and recover all stolen property.

Preventive Actions.

15 cases against 19 cases in last year were instituted under preventive sections. No case was instituted under section 110 C. P. C. this year. The preventive sections were anything but generously used, not a single prosecution under section 110 C. P. C. was instituted. This does not speak well for the supervising officers aud show that they do not give this important matters sufficient attention.

Details of Crime.

Murder—One case only was reported in perganah Tonk as against 4 in the last year. 6 cases were pending from the preceding year. The police therefore had to deal with 7 cases. All were investigated. 4 of those were challaned, 2 remained untraced and 1 remained pending enquiry by the police at the end of the year. Of the cases challaned 2 ended in conviction, 1 acquitted, 1 remained pending trial at the close of the year.

8 arrests were made in the above cases and were sent up to court 3 were convicted, 1 acquitted, and 4 were pending trial in the court.

Attempted Murder.

One case occurred during the year under report against 2 last year. One case was pending from last year. The police had to handle 2 cases of the nature. Both the cases were investigated and challaned; one ended in conviction and the other remained pending trial in the court.

3 persons were arrested and challaned. One received conviction, 1acquitted and 1 was awaiting trial at the close of the year.

Culpable Homocide.

One case was reported during the year under review as against 3 in last year. 2 were pending from last year. The police therefore had to dispose of 3 cases. All the three cases were investigated and challaned. 1 was convicted and 2 were pending enquiry in the court at the end of the year.

3 arrests were made and challaned. Of those 1 received conviction and 2 were awaiting trial at the close of the year.

Dakaity.

15 cases were reported during the year as against 20 in the last year. 18 cases were pending from last year. The police therefore had 33 cases to dispose of. All of those were investigated. 11 were challaned, 11 remained untraced, 1 was expunged and 10 remaind pending investigation by the police. Of the cases challaned, 5 were convicted and action under section 512 C. P. C. was taken in 2 cases and 4 remained pending enquiry in the court at the end of the year.

50 persons were arrested for the offences (40 in Tonk and 10 in other States) All of them were challaned, 19 were convicted, 1 acquitted, 20 remained pending enquiry before court and 10 were under arrest in other States.

I regret to remark that Superintendents do not supervise the investigations of these cases as closely as they should. They very frequently fail to visit the scene of occurrence and after the first few days of the investigation, allow long periods to elapse without submitting reports. Investigations in very many cases have also been allowed to drag on for over a year without any apparent reason. This is the cause of so many cases remaining under investigation at the close of the year.

Robbery.

25 cases were reported during the year as against 20 in last year. 1 case only was pending from last year. The police therefore disposed of 26 cases. 7 cases were challaned, 14 remained untraced, 4 expunged and 1 remained pending in the police.

The cases challaned were convicted.

15 persons were arrested. Of those 13 were challaned and 2 were released by the police. Of those challaned 12 received conviction and 1 was acquitted.

Cattle Robbery.

6 cases were reported during the year as against 3 in the last year. 1 case remained over from last year. The Police therefore dealt with 7 cases, 3 were sent up with C. S. A., 3 remained untraced and 1 remained pending inves

tigation. Of the cases challaned 2 ended in conviction and action under section 512 C. P. C. was taken in 2 cases.

5 persons were arrested and challaned. Of those 4 received conviction and 1 was arrested in other States.

Counterfiet Coin

1 case only was reported during the year. There had been no such cases for few years past. and one man was arrested for the offence. The case was acquitted.

Rape.

4 cases were reported during the year as against 5 last year. 2 cases were pending from previous year. The police dealt with 6 cases. 4 were sent up with C.S. A., 1 remained untraced and 1 was expunged. Of the cases challaned 2 were convicted, 1 acquitted and 1 remained pending enquiry before court at the end of the year. 9 persons were arrested and challaned 4 received conviction, 3 acquitted and 2 remained awaiting trial at the close of theyear.

Attempted Rape.

None occurred during the year but 1 was pending from last year. It was challaned and both the accused were convicted.

Unnatural Offences.

11 cases were reported during the year as against 7 in the last year. None was pending from last year. The police therefore had to deal with 11 cases for this year. All were enquired into 8 were challaned,1 remained untraced, 1 expunged, and 1 remained pending iuvestigation. Of those challaned 3 were convicted, 2 acquitted,1 expunged, action under section 512 C. P. C. was taken in 1 case and 1 remained pending trial before court at the end of the year.

Out of 8 persons arrested 7 were challaned and one was released by the police. Of those 3 received conviction, 3 acquitted and 1 was awaiting trial in the court at the end of the year.

Grievous Hurt.

44 cases were reported during the year against 31 last year. 4 were pending from last year. The police had there to deal with 48 cases. Of those 36 were challaned, 4 remained untraced and 8 were expunged. Of those challaned 14 were convicted, 16 compounded, 1 acquitted, action under section 512 C. P. C. was taken in 1 case and 4 remained pending enquiry in court at the close of the year.

73 persons were arrested. Of those 64 were challaned and 9 released by the police. Of those challaned 21 received conviction 34 acquitted, 6 arrested in other States and 3 were awaiting trial at the end of the year.

Housebreaking

430 cases were reported during the year against 336 last year. 25 cases were pending from last year. The police therefore had to deal with 455 cases. Of 455 cases 393 were investigated and 62 were not enquired into. Of the cases investigated 105 were sent up with C. S. A. 227 remained untraced, 25 expunged and 36 remained pending investigation with the police. Of the cases challaned 89 ended in conviction, 5 acquitted, 1 compounded, 1 expunged, action under section 512 C. P. C. was taken in 3 cases and 6 remained pending in court.

216 persons were arrested. Of those 208 were challaned, 2 were pending investigation and 6 were released by the police. Of those challaned 185 received conviction, 13 acquitted and 6 remained awaiting trial at the end of the year and 4 were under arrest in other States.

The returns do not show how many of these cases were the work of professionals-what is required to improve investigations of this class of crime is the introduction of a modified form of Gayers system, this has been introduced in the United Provinces and is working very successfully. This connot be done until funds are provided to send some of our investigating officers for a course of instruction.

Housebreaking Cattle.

83 cases were reported during the year, as against 81 in the last year. 17 were pending from last year. The police therefore had to deal with 100 cases. All of those were investigated. 15 were challaned, 72 remained untraced, 2 expunged and 11 remained under police enquiry at the end of the year. Of the cases challaned 11 were convicted, 3 acquitted, and action under section 512 C. P. C. was taken in one case.

27 persons were arrested. Of those 24 were challaned and 3 were released by the police. Of those challaned 18 were convicted, 1 died after challan and 5 were acquitted.

My experience is that crime under this head is not always faithfully reported and in a great many instances thefts of cattle are recorded as strays, the police are however not wholly responsible for this, the agricultural classes are loath to report cases, in cases of recoveries which would involve them in a court case and unless they are given greater facilities in the way of special diet allowance for witnesses and cattle in court trials we cannot expect improvements.

Theft.

324 cases were reported during the year against 249 in the last year. 10 cases were pending from last year. The police therefore dealt with 334 cases. Of those 255 were enquired into and 79 remained uninvestigated. Of the cases investigated 143 were challaned 60 remained untraced, 39 expunged and 13 remained pending investigation by the police. Of those challaned 119 ended in conviction, 3 acquitted, 1 compounded, action under

section 512 C. P. C. was taken in 6 cases and 14 were pending enquiry in the court at the end of the year.

183 persons were arrested. Of those 174 were challaned and 9 were released by the police. Of those challaned 146 were convicted, 6 acquitted, 1 died after challan, and 21 were awaiting trial in the court at the end of the year.

Cattle theft.

158 cases were reported during the year against 95 in the last year. 32 cases were pending from last year. The police therefore had to deal with 190 cases. Of these, 188 cases were investigated and in 2 cases investigation was refused. Of those investigated 66 were challaned, 87 remained untraced, 15 expunged and 20 remained pending investigation by the police.

Of those challaned 48 ended in conviction, 16 acquitted, action under section 512 C. P. C. was taken in 3 cases and 9 remained pending enquiry in the court.

114 persons were arrested, 100 of those were challaned, 9 released by the police and 5 remained pending investigation. Of those challaned 68 were convicted, 16 acquitted, 12 remained awaiting trial at the end of the year; and 4 were under arrest in other States. The same remarks apply to this class of crime as under house breaking.

Registered Miscellaneous Cases.

243 cases were reported during the year against 300 in the last year. There were 39 cases pending from last year. Thepolice therefore dealt with 282 cases. Of those 195 were challaned, 18 untraced, 50 expunged and 19 remained pending investigation. Of those challaned 123 were convicted, 18 compounded, 17 acquitted, 3 expunged and action under section 512 C. P. C was taken in 15 cases and 19 remained pending in court.

355 persons were arrested. Of those 326 were challaned, 24 released by the police and 5 remained pending investigation. Of those challaned 189 received conviction, 80 were acquitted, 54 were awaiting trial at the close of the year. 2 were under arrest in other States and 1 died after challan.

Noncognizable cases.

220 cases were reported during the year against 199 last year. There were 30 cases pending from last year. The police there fore enquired into

250 cases. 209 of those were sent up with C. S. A., 2 remained untraced, and 7 remained pending investigation with the police. Of those challaned 162 were convicted, 1 compounded, 16 acquitted, 2 expunged, and 6 made over to other States and action under section 512 C. P. C. was taken in 9 cases and 13 remained pending trial at the end of the year.

454 persons were arrested. Of these 416 were challaned, 30 were released by the police and 8 remained under investigation. Of those challaned 354 received conviction, 33 acquitted, 18 were pending trial in the court, 9 were made over to other States. 1 died after challan and 1 escaped from Judicial Lock-up.

Budget.

A sum of Rs 1,39,408/- was sanctioned for 1334 Fasli without giving any consideration to the police requirements and as a result a sum of Rs 4,500/- was asked for from His Highness to meet the pay of the force at the endof the year and a sum of Rs 600/-/2 were taken from P. W. D. and State Council. So the police expended Rs 1,44,508/-/2 in the last year and this has been the minimum expenditure in past years. I have made a representation to His Highness for an increase in the budget for Rs 13,000/- which is under consideration.

Buildings.

The buildings started in past years have not yet been completed owing to the want of funds, as the sum allotted, Rs 700/- in the budget does not suffice for the annual rainy season repairs of police stations. A rough estimate for buildings as noticed from records and reports received from police officers is for Rs. 5,978/- and unless this sum is granted in addition to the budget the building programme cannot be completed. I will submit a detailed report about police buildings when I have completed a tour of all the parganas.

Finger Print Work.

518 Finger Print Slips were prepared during the year (1st January 1927 to 31st October 1927) and 266 Search Slips were sent to Bureaux concerned for trace. Of these 168 were of Criminal Tribes and 98 others. Of those sent 239 have been received back after trace and 27 are still awaited. Of those received 148 were of Criminal Tribes and 91 of others. 20 of Criminal tribes and 7 of others were still awaited from Bureau at the end of the year. Of 148 of Criminal Tribes 62 were traced and 86 remained untraced. Of 91 of others 19 were traced and 72 remained untraced.

14 death reports were received from police stations and their names were struck off. None died in Jail.

Sub-Inspector Finger Print witnessed in identifying finger prints once in Council, once in Criminal Court and 5 times in Diwani Courts.

On 18th December 1927, C. I. Madhopershad of Finger Print Bureau, Abu, inspected Finger Print work and has favourably reported. Subinspector Finger Print toured and inspected the Pargana Finger Print work.

71 Search Slips of Criminal Tribes settled in Tonk and of C. T. have been prepared and sent to Abu for trace and entry in Criminal Tribes Register. Subinspector Nazir Ahmad Beg who is responsible for the work under this head is to be congratulated on the results obtained. In addition to doing his work most satisfactorily he has instructed over 60 men in Finger Print work and his energies have not finished here, he is now holding regular classes for literate and illiterate constables and members of the Judicial, Municipal and Mal departments.

Criminal Tribes.

The detailed report on Criminal Tribes has already been submitted to the State Council Tonk under this office No: 755 dated 3rd April 1928, but I am not quite satisfied about the supervision of members of Criminal Tribes in some of the settlements and would like to see the various small settlements broken up and replaced by one settlement which could be properly controlled from Headquarters.

Discipline and Rewards.

The sanctioned strength of the force was 51 Subinspectors, 77 Headconstables and 732 constables; of this number 2 Subinspectors, 3 Headconstables an 53 constables were dismissed and 25 Subinspectors, 41 Headconstables and 170 constables were punished either departmentally or judicially. Rs. 223/- were givin in rewards to members of the force, most of this was given to Subinspectors and senior officers and a very small percentage fell to the lot of the rank and file, the question of reward to the latter for good work and detection is receiving my personal attention.

Conclusion.

All the Superintendents have worked cheerfully and zealously; they must, however, pay much more attention to the investigation work of station officers, who are I find very casual about the submission of special diaries. They must not permit investigation to hang on for months unless there are special reasons for it. The inspection of police stations is also one of their chief duties and in future I will take strong exception to any officer, either Superintendent or Circle Inspector, failing to inspect the police station of his circle as is required by regulations. The matter of holding up papers and reports for months must cease. I have given all officers sufficient warning about this and I hope I will not have any further cause of complaint. I will particularly single out the following officers for special mention:-

M. Abdul Qadar Khan, Superintendent of Police Sironj,

M. Ali Hussain Khan, Superintendent of Police, Tonk,

M. Khaliq Ahmad Khan, Reserve Inspector,

M. Mohamad Mustafa, Prosecuting Inspector, and

M. Nazir Mohmad Beg, Criminal Tribes Subinspector.

In conclusion I desire to acknowledge the assistance I have received from Head Clerk B. Darbarilal, Accountant B. Murli Mohanlal, Deputy Accountant B. Shiam Narain and my reader Subinspector Abrar Ahmad whom I have found most loyal and hard working. He is thoroughly efficient and fit for promotion to the rank of Inspector.
